

DRIVE FAR

SKU: 4517 MAP: \$650.00

FEATURES

- Enhances all available wireless network signals and speeds throughout a passenger vehicle — car, truck, van, or SUV.
- Works on ALL cellular devices with ALL carriers simultaneously.
- Improves talk, text, and high-speed internet.

ABOUT

You've got places to go. Good thing the Signal Hero Australia Drive Far signal booster goes anywhere. Best of all, dropped calls, missed texts, and music buffering won't be tagging along.

With its cradle-style inside antenna, magnetic outside antenna, and space-saving booster, Drive Far is our standard amplifier to help solo drivers coast through dead zones without missing a beat.

And despite its low price, Drive Far significantly multiplies your signal on any network, including Calls, 4G and 5G.

Easily fits any passenger car or SUV and adjusts to fit devices from 5.1 to 7.5 inches. Also features a charging port.

Installation is super easy and once you need any assistance our Australian support team is here to help, too.

No subscription is required. Like all our boosters, Drive Far is backed by a **30-day money-back guarantee** and a **2-year warranty**.

 BOOSTS SIGNAL ON ALL AVAILABLE NETWORK SPEEDS

 UP TO +50 dB GAIN

IMPEDANCE	50 Ohm	
POWER	12V DC	
CONNECTORS	SMA-Female	
BOOSTER DIMENSIONS	16.2 × 12.2 × 3.4 cm	
BOOSTER WEIGHT	1kg	

INSTALLATION

- 1 Receives signal:** The powerful antenna reaches out to access voice and data signals, then delivers them to the booster.
- 2 Boost signal:** The booster receives the signal, amplifies it, and serves as a relay between your phone and the nearest cell tower.
- 3 Broadcasts signal:** Your devices get a stronger signal, and calls and data are fed through the booster back to the network.
